

Eliminate paper paychecks with VISA Direct PaycheckCards!

Some people are reluctant to open a bank account. Some still like to see a physical paycheck at the end of the week. But what if those employees could have the power and prestige of a VISA debit card in their wallet? Now they can with the Direct PayChek Card™.

The Direct PayChek Card allows you to perform a standard direct deposit transaction and eliminate the hassle of managing paper paychecks. There's no change in your processes and there are no fees involved. One more benefit that you can offer to your employees!

This offering is a win-win for you—the employer—and your employees. Take a look at the advantages:

For the employers:

- No more check signing
- No more lost/stolen paychecks
- Faster account reconciliation
- New employee benefit
- Participate without changing your payroll process
- No fees for the company to participate

For the employees:

- Pay immediately available
- No need to pick up check or wait to cash it
- VISA is accepted worldwide and at ATMs
- No credit approval
- Eliminates check cashing fees
- Improves safety by carrying less cash
- Card can be replaced if lost or stolen without losing the money
- 24/7 customer service

To get started, make copies of the enclosed enrollment form to distribute to interested employees or visit our website and click on the Debit Card Enrollment icon to enroll employees on-line.
